## **Elden Ring Features Key:**

The World

- Explore the vast, open Lands Between.
- Possess the enormous Elden Thrall known as the Elden Ring while surpassing the enemy stronghold.
- Defeat powerful monsters and collect valuable items from the Lands Between.
  
- Lead a Team of Allies
  
- Equip a combination of weapons, armor, and magic, and command your party.
- Equip weapons and armor that you've obtained or can improve in battle.
  
- Fortify your Elden Ring and lead with spectacular attacks that shake the Lands Between!

THE NEW FANTASY ACTION RPG.

Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.

## **Create your own character**

In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip.

You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.

The more powerful characters, however, prove themselves in battle by encountering the powerful enemies throughout the Lands Between.

## **MULTIPLAYER**

You can search for other players on the Internet to enter to a dungeon or an event; and then embark on quests together.

## **UNLOCKABLE EXTENDED EDITION**

- Effortlessly complete the game from the beginning. Not affected by the obstacles to getting the released version of Redemption.
- Get a bonus that can be exchanged for armor, items, and weapons by completing the Dark Dungeon!

boy awakes one day to a new and wondrous world. Filled with excitement and wonder, he walks across this magnificent landscape, but finds that he is no longer alone. He meets a boy who appears to be even younger than he, the brother of a young girl with a beautiful face but a malicious heart. The two boys make a contract with each other, a covenant with the boundless powers that lie in wait. With this agreement, they each earn the right to become a Lord of the Tower and a Lord of the Blade, a title bestowed upon the holder of a powerful weapon. However, the two boys are not the only Lords who have entered this world, and the boy who has just set out upon his journey finds himself surrounded by rivals. Now, it is the two Lords who will face off in a great land full of mystery and danger, and will live the rest of their lives together in the Lands Between. Just a few days ago, I received an invitation that said: "I'm going to go out

and challenge others!" I haven't played a game in a long time, so I started playing the game. The game is a visual novel, which means that the information that is shown through the images is all in your head, and you figure it out by interacting with the environment. It's a game that involves a lot of story in its design. It's a game that forces you to think deeply about the story. This was how the game played out. The first things that I played were the opening parts. "See you later, bro!" "Hey!" "Sorry to bother you, but can I talk to you for a bit?" He ignored me, and I told him that I wanted to talk to him. "I'm a Lord who has come from far away. I want to join you guys as your Lord, so I'd like to know a little bit more about you." "That's right," he said. "But what should I call you? It's okay if you aren't my Lord. I'm fine with that." "I'm a small boy, but I can't let you tell me the name of my lord." "Then, I'll name you 'Tarnished bff6bb2d33

This is the first game Ive played on this system and it is already great. Once again Koei is taking full advantage of the full range of features of the PS3. Navigation on the screen is easy and is very comparable to the DS. The story line and the audio makes this game a must own. Rated 5 out of 5 by DahlijuRoo I very much enjoyed this

game i must say its an amazing game. The graphics are great, I love the story line. The amazing aspect for me is the fact that you can create your own avatar if you want, so that your character looks you, and I love that! You can go for combat or you can heal with your spells, or you can do both. This game is awesome and I am so happy that a developer put so much time and effort into making a beautiful game! Rated 4 out of 5  by ShaeCrosby I am enjoying this game I am having fun with this game so far. Koei was able to pull off what they have done with it, so many different places to go and an amazing story line. I was hoping to see more of New Leaf in the story line and with that I was not disappointed. I am loving it so far. Rated 5 out of 5  by CosmoReladys The graphics are amazing. The game looks amazing. If you are a fan of the anime or manga series or you haven't watched
